*Sign a Petition. Save an Animal.*

March 24, 2021

Dear Jeffrey Preston and Tiffany McCormick,

We are Janelle Babington and Penny Preston-Eims, animal welfare petitioners with AnimalVictory.org. In July 2020, we created a petition asking for Krystal Cherika Scott, of Kokomo, Indiana, to be punished for her participation in the making and distribution of animal crush videos. It is our understanding that Scott posted graphic images and videos of her torturing animals on various social media platforms.

**30,375 people have signed our petition** (see attached) asking for Scott to receive the maximum punishment for the multitude of charges that she is facing. Her violent and sadistic behavior is highly disturbing and indicative of a possible link to causing future harm to vulnerable humans.

It is our understanding the case will be in court on April 19, 2021. If either of you are not assigned to this case, would you please put us in the right direction? We thank you for your hard work on this cruelty case and anxiously await an update regarding any information you can provide for the **30,375 supporters** of the petition.

Very Truly,

Janelle Babington and Penny Eims
