I issue this statement to inform you that I am currently staying with my grandparents because I have no where to live in Orlando but in the mean time I have been awaiting a court date but never received one and when I check the website nothing came up in my name then after some time I searched my name the some way Orlando police posted it which is Juan Felix but that is not my name my name is Luis Juan Felix due to my name being wrong and due to the fact Orlando police sent all my mail

REC'D FROM JUDGE

Sent all my mail to
the same address of the
incident. I could not stay
there ~~after~~ after my arrest
and the person who lives
there never forwarded any
mail to me and also
due to the fact the Orlando
Police ~~posted~~ posted a mug
shot after the arrest

I received many death
threats and hate comments
So I was forced to ~~leave~~
leave for my safety and sanity
I just want you to know
I am not like that
I am not a monster
I called the Clerk's office
and told them everything
So they told me to send
this letter

Page 3 ⇒

Asking you to quash the
Capras warrant and Im
asking if this can be
pushed down to a Misdemeanor
I am no monster ; I am
a good kid with a clean
records and Im praying
for this not to be a felony
~~was~~ and I also ask we
do a zoom court because
I am still not in Florida
and I have no where to
stay out ~~the~~ there
