Sign a Petition. Save an Animal.

Attn: Sacramento County Prosecutor's Office,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. Attached you will find a petition which we created after learning that Troy Davis, a convicted felon, brutally attacked and murdered Mary "Kate" Tibbitts, and her two senior dogs, Molly and Jenny.

Troy Davis has a lengthy criminal history and he should have never been free to inflict pain, suffering, and death, on anyone. The details surrounding Davis' attack on Mary Tibbitts are appalling. There is evidence suggesting that this felon sexually assaulted Mary Tibbitts before he brutally stole her life.

We, and over 19,000 of our supporters, want to see Troy Davis receive the maximum sentence for each and every charge that he is facing from the deadly September 3 incident. It is our understanding that Davis is charged with homicide, assault with intent to commit rape, malicious maiming of animals, and arson; we expect that the court will FINALLY take this man's despicable behavior seriously and sentence him accordingly. What happened to Mary Tibbitts and her dogs should have never happened, and the court needs to ensure that nobody else will ever fall victim to this man again.

We are hopeful you will find our petition useful in court, and we thank you for your hard work on this case. We look forward to a favorable update from your office.

Sincerely,

Janelle Babington and Penny Eims
